

CONSENT FORM

(please print)

Dear Parent/Legal Guardian,

Your son/daughter has shown an interest in participating in World Vision's 30 Hour Famine. Participation means that your son/daughter will:

- Sign up 30 Hour Famine sponsors and collect money to help those around the world who suffer from hunger, poverty, and a lack of hope.
- Miss **three** main meals by fasting for 30 hours.
- Drink only water and juice during those 30 hours.
- Turn in the Famine Student Guide and money raised to his or her Famine leader during the Famine event.

If your son/daughter is not physically capable of fasting for 30 hours, he or she can still participate in a modified fast. Please contact me if you would like to discuss this option. Before I issue a Famine Student Guide to your child, I would like your acknowledgment that you support his or her participation.

Thank you.

I have no objection to my child, _____, participating in World Vision's 30 Hour Famine. I understand and have discussed with my child certain rules for participating during this event. Most importantly:

- Respect for others (students and adults)
- No outside **food** or **drink** allowed (unless approved before hand)
- Remain on church premises until event has concluded (excluding Famine Walk and/or service projects)
- Being mindful of time allotted for various activities

World Vision is a Christian relief and development organization dedicated to helping children and their communities worldwide reach their full potential by tackling the causes of poverty.

Fasting is a physical benefit for most people. Exceptions are children under 12 years of age, the elderly, diabetics, those pregnant or nursing, and others who have had recent surgeries or have other specific medical problems. Most youth will have no problems completing the 30 Hour Famine; however, modifications can be made as necessary. If you have any health-related questions about your child's participation in the Famine, please consult your doctor.
